

# Our Coronavirus Plan Update

MARCH 17, 2020

Church family,

Your spiritual vitality and safety are important to us. We also desire to honor the recommendations of our government leaders to help reduce the spread of the coronavirus. Therefore, we have decided to continue operating on an adapted schedule until further notice.

Sunday worship will be held online only. We will not gather at the church building.

Everything you need during this time is on the front page of our [website](#).

## **Weekly activities.**

The church office will remain closed to the public. All in-person ministries (classes, Bible studies and Life Groups) have been suspended. Group leaders may contact you if they decide to virtually meet using online tools.

The church staff and elders will continue to monitor the unfolding situation. We will make adjustments as needed per the latest Centers for Disease Control and Prevention (CDC) recommendations.

## **Need to talk?**

We understand that you may find yourself feeling alone, isolated or in need during this time. Please feel free to go to our website to find ways to connect. You can connect live with one of our pastors to chat online Sunday-Friday from 8am-8pm. If you need assistance or would like to volunteer to help those in need of assistance, please [email](#) or call the church at (913) 764-8280.

**Don't be discouraged.**

We are living in a moment that feels precarious. Everything is shifting and changing quickly. But God is sovereign over all and is our Rock and Fortress (Psalm 18:2). Take time daily to check in with those in your world who might need his encouragement or words of hope. Matthew 5:14 reminds us that we “are the light of the world.” So church, in these times shine brightly!
